

# IBM CLOUD:

The screenshot shows the IBM Cloud dashboard in a web browser. The browser's address bar displays <https://cloud.ibm.com>. The page header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (Ahamed J's Account). The main content area is titled "Dashboard" and features a "For you" section with six recommended resources, each with a "Getting started" button and a duration. Below this, there are four sections: News, Recent support cases, Planned maintenance, and IBM Cloud status, each with a "View all" link. The bottom of the screen shows a Windows taskbar with various application icons and system information.
